Adjournment

Village of Hillman Managers Report – Sept 1, 2026

1. Hopefully the Village will get the final bill on the paving soon. We still have the alley project and the permit to replace the culverts on West Third St. came in a email.

2. I called Alpena Power on the electric cost the Village. Having not got much from them, John Burr called and got further than I did. They are sending a updated map.

3. We do not have a planning meeting in September, but the Master Plan update is still available for review and we should be getting the updated zoning soon.

4. I have a MML Liability and Property Pool board meeting Sept 11th in TC.

5. Joey Jackson did get back with me on the ADA conversion for the Village website. He is supposed to get with Jim Young and find out info on the site and then get the Village a cost.

Dave Post, Village Manager Have a good weekend.
